ITALY BY VINTAGE CAR

Someplace in every man's heart lies a desire to drive a convertible along a windy road, vineyards green and leafy on either side, stone villas rising on hills in the distance. The people at Italy by Vintage Car understand this, and have lovingly curated six distinct self-drive trips throughout the countryside, with stops at wineries, cathedrals, restaurants and spas. Choose from their fleet of classic Lancias, Alpha Romeos and Fiats, all of which come equipped with cell phones and mechanics on call. From \$9,000 per person, all inclusive.
